

CLAN MOFFAT UK

We are inviting you to join Clan Moffat UK. The group was formed in June 2000. Our aims are to achieve recognition of the role played by Moffats in the history and culture of Scotland and encourage research into those families bearing the Moffat surname, however it is spelt, through the mutual exchange of information and to give assistance where possible.

The group is open to anyone with Moffat ancestors, not only those bearing the name.

We produce a newsletter twice a year - in October and April - which is circulated to all 'paid-up' members. In this we will keep you informed of events that may be of interest to you so that you can plan them into your diaries for the following six months and perhaps have articles about family histories, places and churches of interest to our members.

Clan Moffat UK is a non profit-making Association and any surplus funds will be used to expand membership, purchase books or records of importance to the family historian and maintain a presence at relevant events.

To join, please complete the Membership Form below and send it together with your subscription and a copy of your family details to:-

The Membership Secretary, Whinney Brae, Tundergarth, Lockerbie, Dumfriesshire DG11 2PP Scotland.

Family Details. It is useful to us to cover ALL members of the family in each generation. Ideally we would like dates of birth, baptism, marriage (plus the name of spouse), death, occupations and where the events took place. However very few of us can provide all these facts so please don't delay, send in whatever you do know, now!

We look forward to hearing from you.
